MESSAGE

The subject U.S. application was filed under 35 U.S.C. 371 on 22 August 2006. Our return post card indicates that it was assigned Application No. 10/590180.

We filed a Petition To Make Special on 28 October 2006, based on Applicant's age, but thus far have received no action on the Petition. I have made multiple telephone calls to the Petitions Office and have been told that they are unable to act because the application is still awaiting 371 processing.

I have also made multiple telephone calls to the PCT Help Desk but have been unable to determine when I can expect some action and/or what else I can do to accelerate U.S. examination.

Please advise ASAP.

Respectfully submitted,

Arthur Freilich, Reg. No., 19,281
